Docket No 9848/405 & the 7th May 1904 from the Dist of Bds

With reference to the above queries the Dist states that the School building referred to above was a rest house for the anche

Runners, and that when the
Niche was transferred to the
Imperial Postal Deptt in 1889,
the building was not required
by the Postal authorities and
so it was made over to the
Edn Deptt to be used as a
School house

A draft sanctioning the
sale of the building is

If the facts are as reported the building is of no use and I see no objection to it being sold as recommended - Draft - obtd -

Why all the doubt & trouble? Is not the Secretariat in possession of this information and can it not be had easily when it in such cases without a reference to the Deptt concerned? I believe it is maintained -

I therefore request that permission may be granted to sell the house through the agency of the Revenue Department and credit the amount realised to the Village School Fund.
